

**WOMEN'S VIEW MEDICAL GROUP
HOLISTIC CONSULTATION AND TESTING SERVICES**

Dr. Rashidi is board certified in both Family Practice and Holistic Medicine. The specialty services for Holistic Medicine are quite separate from routine Family Practice services. If you schedule for Holistic Specialty Services, insurance is not accepted and therefore will not be billed to your insurance plan. These services do qualify if you have a Health Savings Account or a FLEX Spending Account that you wish to use. Payment is expected at the time of service, without exceptions.

****IMPORTANT****

Although there may be some insurance plans that will include a limited amount of Holistic benefits, Women's View Medical Group will not courtesy bill insurance plans for any Holistic services, nor do we accept assignment for Holistic visits.

If you choose to submit a claim to your insurance carrier for your Holistic visit, you acknowledge and agree, by your signature below, that whatever claims are paid, are only to assist you in recovering a portion of your out of pocket expense(s) for your Holistic visit(s), and under no circumstances will it adjust fees or payments to Women's View Medical Group, nor will Women's View Medical Group refund any difference between the two.

Holistic Specialty Consultation with Dr. Wendy Rashidi, and/or her associates may include specialty testing from any one or more of the following specialty laboratories:

****ZRT Laboratories
**Doctor's Data
**NeuroScience
**Sanesco
Genova Lab

****Fees for specialty testing from these entities are not included in your Holistic visit and are in addition to your Holistic consultation fees.**

I hereby acknowledge a complete understanding of the information described above.
